Compassion & Excellence

What is Reiki?

Reiki is a Japanese word meaning "universal life force energy".

Its ancient origins share much with Buddhist philosophy, although Reiki principles are compatible with all spiritual beliefs.

Reiki is a powerful tool for personal growth and transformation. By becoming a Reiki channel, you are receiving a spiritual initiation.

Healing is a by-product when your body is filled with this divine energy. Reiki brings the body to its own natural balance allowing it to heal itself!

Reiki stills chaotic energy - bringing clear focus, improved concentration and relief from tension & stress.

Kaz Thorpe, with over 20 years training experience is one of our most experienced, credible and highly qualified Reiki Masters.

Learning Usui Shiki Ryoho

The Reiki System of Natural

Healing is a technique for transmitting this subtle energy to yourself and others through the hands into the human energy system.

Reiki treats the person's physical body, emotions, mind and spirit. As a spiritually guided energy, Reiki flows to where it is

Reiki 1 - at The Healing Hub

- * Students are individually attuned to the Reiki energy
- * We emphasise self healing
- * You learn and experience direct laying on of hands healing.
- * Students learn the origins of Reiki.
- * You gain an understanding of & experience energy, auras, chakras and the mind - body connection for healing.
- * We discuss the benefits of Reiki and how to utilise the energy with family, friends, plants, animals, food & water.
- * All Reiki Training meets National (ARC Inc.) Reiki Training Standards.

Reiki 2 - at The Healing Hub

- * Students receive two additional attunements.
- * Three Reiki Symbols are given and we practise many ways of using them.
- * Powerful Distant healing processes.
- * You learn chakra balancing techniques.
- * And, Karmic & Emotional Healing.
